

Equipment Housing & Enclosures

Equipment Housing & Enclosures

From establishment, our company has been a leading contractor and supplier equipment housing and enclosures to various industries in New Zealand and Australia.

As a certified ISO manufacturer, our customers are assured of product quality, conformity and our commitment to overall operational excellence.

Constant investment into the latest technology, manufacturing equipment and the right people enable our company to create innovative solutions for the most challenging requirements.

We manufacture to standard designs or custom manufacture for all requirements.

Talk with us about your equipment housing and enclosure needs.
