

Tilley Non-Skid Sheeting

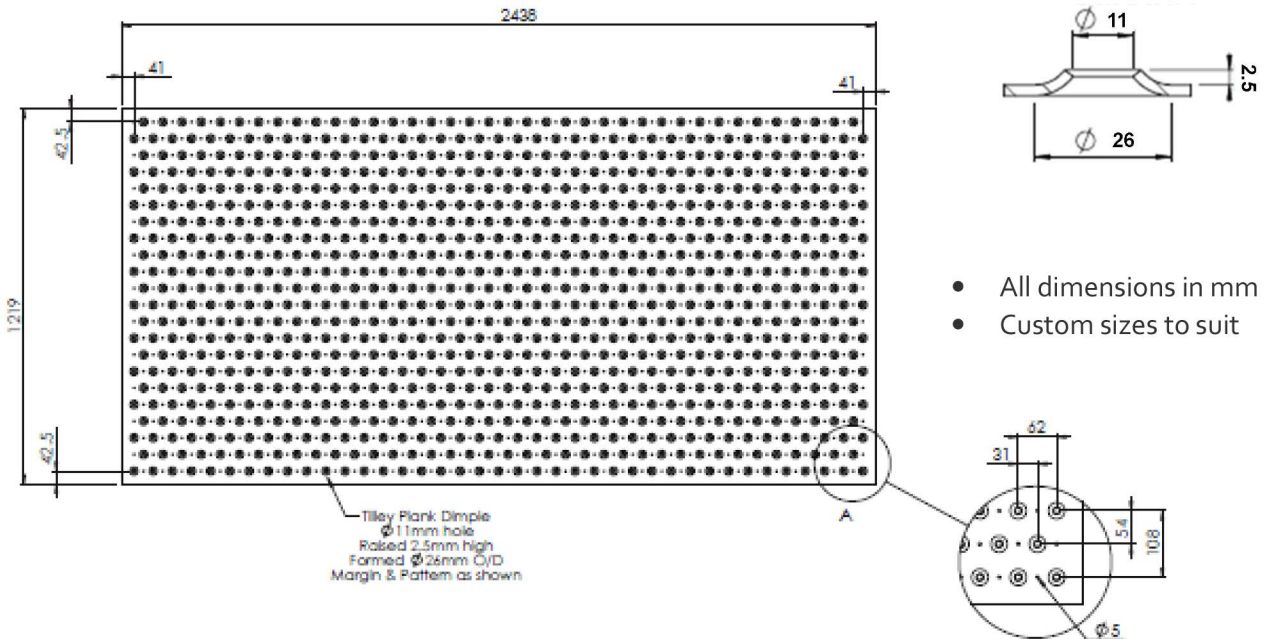

Don't slip up on safety or quality.

Tilley Non-Skid Sheeting is the reliable, effective Non-Skid product for floors, platforms, ramps, stairways, scaffolding and livestock transporting floors.

Tilley Non-Skid Sheeting's precise configuration, flanged circular perforation ensures a superior Non-Skid surface for a multitude of applications and hazardous environments.

Another product from the Tilley range of fine industrial products.
