- 5.0mm Aluminium 5251
- Drainage holes

Posts

- 50NB x 3.6 w/t Aluminium 5251

Foot Plate

- 5.0mm Aluminium 5251

Fixing

- Surface Mount or Free standing

Canine Equipment: Grooming Table

Care & Maintenance Suggestions

Our products are constructed using a variety of different materials, all of which are highly corrosion resistant. Despite this, some care is required to maintain their good looks. The extent to which cleaning is required will depend on a number of factors including environmental conditions, construction activity and level of use.

MAINTAINING THE PAINTED OR POWDER COATED SURFACES

Clean regularly with warm soapy water. Should the paint become chipped or scratched, it can be touched up using an acrylic based paint.
