- 3.0mm Aluminium 5251
- Standard Logo (see below)
- Custom Logo
- No Logo

Fixing

- Surface Mount or Extended Leg

Standard Logo Options.

Custom Logo Options.

We can punch or laser cut your custom logo or design

Canine Equipment: Hoop Jump

Care & Maintenance Suggestions

Our products are constructed using a variety of different materials, all of which are highly corrosion resistant. Despite this, some care is required to maintain their good looks. The extent to which cleaning is required will depend on a number of factors including environmental conditions, construction activity and level of use.

MAINTAINING THE PAINTED OR POWDER COATED SURFACES

Clean regularly with warm soapy water. Should the paint become chipped or scratched, it can be touched up using an acrylic based paint.
